W Lydia Courteille Paris
When I lived in Paris I used to gaze into the window of this jeweller on rue St-Honoré on my way to work. She has beautifully chosen, dramatic jewels. (00 33 1 4261 1171)

Max Wigram Gallery London W1

SUCH A GOOD PLACE FOR EXCITING ART. Exhibitions are not always confined to the gallery space – Mustafa Hulusi's iconic billboards can be seen by anyone who lives on or near Hackney Road in east London – and you can see work by great guest artists such as the seminal punk and reggae photographer Dennis Morris.
